

CERTIFIED
INVESTMENT
BANKING ANALYST
WITH NISM PREPARATION

Summary of the Course

The curriculum encompasses various vital areas, including corporate financing, alternative investments, portfolio management, mergers and acquisitions (M&A) transactions, defensive strategies, antitrust regulations, and others. Moreover, the course provides valuable resources such as mock tests and practical examination papers specifically designed for the NISM certification. You will also engage in case studies, simulations, and hands-on exercises to enhance your analytical and problem-solving abilities in the various areas of investment banking.

About DE Academy

DoubleEntry Academy is a learning and education service offered by DoubleEntry. It provides diverse training courses based on best practises and brings real-life business experiences into the classroom. Moreover, subject matter experts help make learning more effective and practical.

Based on our extensive know-how, we seek to deliver unique learning experiences that are stimulating, engaging, and valuable and that continue to have an impact beyond the completion of the course.

DoubleEntry Academy focuses on improving the knowledge, skills, competence, and expertise of professionals and students by offering diverse learning programmes in the area of Financial Accounting and Reporting, covering topics such as IndAS, IFRS, Investment Banking, NISM, IB, Business processes Procure to Pay (P2P), Order to Cash (O2C), Record to Report (R2R), and Financial planning and analysis (FP&A).

These programmes are tailored to learning needs and based on our deep subject matter knowledge and global experience. Thus, they can help organisations meet the challenges arising in the rapidly changing business landscape of corporate India.

Our instructors are experienced Practitioners who have undergone extensive training. They have worked with leading Organisations around the world and advised them on a wide range of complex matters.

Testimonials

I'm Sania Begum from Tapasya educational institution (DSNR) pursuing my B.com Computer and - final year. We have been trained by the DoubleEntry Academy in the 6th semester and the interaction with them was so delightful and interesting. We went into the corporate world and the classes were so knowledgeable.

Sania Begum

Tapasya Degree College, Dilsukhnagar.B.com - 3rd year

The main objective of the CEC course was to bridge the gap between the classroom and the corporate world, and I must say that it fulfilled its purpose remarkably well. The course content, which covered essential topics such as PGP (Purchase to Pay), OOC (Order to Cash), K2B (Record to Report), Statutory Compliance, Accounting Technologies, and Soft skills, was extensive and highly pertinent to our future professional endeavors.

Apoerwa Vinapamula

St. Pius X Degree & PG College for Women B.com - 3rd year

I am quite appreciative of the great interactive experience offered by these classes. The amount of expertise of the teachers, interesting teaching techniques, and the inclusion of the rapid-fire round all added to a very satisfying learning trip. These lessons are highly recommended for anybody looking for a dynamic educational atmosphere that fosters both intellectual progress and a true interest in the subject matter.

Teesha Gandhi

Teesha Degree College, Dilsukhnagar.B.com - 3rd year
